Death of Mrs. A. M. Schmidt.

On Wednesday morning Mrs. A. M. Schmidt died at her home in this city after several weeks of severe illness. Mrs. Schmidt was among those who came to Wa-Keeney in its earlier days and was well known by every one. She was ever a loving wife and devoted mother. Her disposition was bright and hopeful and she had a smile for any one whose path she crossed and her cheery greeting will long be missed by her many friends as well as those who were not so intimately acquainted with her. The Christian graces which she daily practiced endeared her to the hearts of her family and gave her friends and neighbors no room for doubt as to the genuineness of her religious life for she lived the golden rule thus making life happy for others as well as herself. She has gone to her reward and the community has lost a good and noble woman from its midst but its loss is her gain and henceforth she rests from her labors.

Three years ago she buried her husband and leaves four children to mourn her loss, Mrs. W. W. Gibson and Mrs. R. B. Forrester, of this city, Mrs. Robert Bailey, of Brownell and Mrs. L. Schmidt, of Jewel City, also a number of grandchildren.

On Friday afternoon at 2 o'clock the funeral was held at the Presbyterian church, conducted by Rev. Allison, the pastor, assisted by the Eastern Star which attended in a body. The floral tributes were beautiful and numerous. A large number of people followed the remains to the cemetery showing the esteem in which the deceased was held.

Grocery Satisfaction

If your grocer pleases you in every particular, you have no cause for changing.

Even WE can do no more than that.

But if you think some of taking a shift, we would be glad to give you the best service of which we are capable.

Often and often we have turned now-and-again customers into steady patrons.

And we lose a surprising few of the really particular grocery buyers who once become our customers.

Try us on anything you like.

STAR GROCERY

Kansas City Market Report.

Kansas City Stock Yards, Feb. 8, 1910.

Cattle salesmen were quick to use the advantage which the light run of six thousand head gave them yesterday, and transactions were on a basis 10 to 20 cents above Friday. The run to day is 9000 head, and prices are steady to weak, some sales of steers called 10 or 15 lower. With prices as high as they are, the market is bound to be very sensitive to volume of receipts, and prices will fluctuate more than when buyers are not paying out so much money every day. A condition that is cutting down the total pounds of beef being marketed is the fact that for a period of thirty days in December and January even the best feeders could not put on more than one pound or a little more per head per day on their cattle, account of the severe weather. One lot steers sold at \$7.15 here yesterday, the best here this week but highly finished steers are scarce, and the tendency of buyers is to pull the top down nearer the bottom if they can. Yesterday the most gain was on nice light steers selling under \$6.25, while top steers advanced less which was a step in the direction of narrowing the range of bulk of sales. Most of the steers this week sell at \$5.40 to \$6.50, bulk of cows at \$3.40 to \$5.25, heifers \$4.25 to \$5.65, top heifers \$6.00, bulls \$3.75 to \$5, top veals \$9. Stockers \$3.75 to 5.30, feeders \$4.75 to \$5.60. Some Colorado feeders sold yesterday at \$5.20, and the top native feeders at \$5.60, weighed 995 lbs.

The hog supply today is 12,000 head, market 5 higher, top \$8.70, bulk of sales \$8.40 to \$8.65, weights below 200 lbs. at \$8.30 to \$8.55. Receipts have failed to increase lately, although shippers have had every incentive to come forward during the past week, and dealers are more of the opinion that hogs are worth what they are costing. Eastern or 7ers are larger this week, and advices indicate that the crop has been marketed in the eastern states. Quality of arrivals is good, and bears more of the ear marks of the new crop than heretofore.

Sheep and lambs are higher again this week, in spite of a liberal run each day, 10,000 here today. Top lambs reached \$8.80 today, five cents better than yesterday, but there was quite a number of lambs at \$8.35 to \$8.75 yearlings up to \$8.25, wethers worth \$5.75 to \$6.50, choice ewes today at \$6.00. Sheep receipts are running ahead of this period last year, the only class of live stock that does not show a loss in volume, but prices are holding up better on sheep and lambs than on anything else.

Mr. George Ehrlick and Miss Annie Ehrlick, both of Russell, Kansas, were married at the office of the Probate judge last Saturday morning.
